## TO WHOM IT MAY CONCERN

Student: Thong Yong Ru

Thong Yong Ru has been a full-time student of Stella Maris International School Damansara which offers a British based curriculum with English as the medium of instruction. She has successfully completed the Cambridge International General Certificate of Secondary Education (IGCSE) curriculum in November 2022.

Yong ru is student who faithfully performs classroom tasks and other tasks that are required of her, and often does so with a unique brilliance - much to the delight of her teachers. She also shows a strong dedication to her duties as a assistant class monitor.

She is also very kind, thoughtful and conducts herself with maturity and politeness in all her social interactions. With teachers, she is always respectful.

Being very responsible and organised, she always delivers assignments on time. She tackles classroom assignments, tasks, and group work in an organized manner.

Her capacity for self-motivation is great. She dilligently performs tasks and requires little to no supervision. She is an extremely responsible person and takes her schoolwork and other commitments seriously.

We are confident that her personal qualities and potential to adjust in diverse cultural and international environment in the school, will equip her to be able to acclimatize and excel in any new environment. Her experiences at school has groomed Thong Yong Ru well to succeed in her future endeavours.

We wish her all the best.
